Dear Sir / Madam,

RE: SPONSORSHIP - BAHAMAS PRIMARY SCHOOL STUDENT OF THE YEAR 2010 AWARDS PROGRAM

Today, we have an unprecedented opportunity to recognize a group of students who are often overlooked and seldom appreciated, primary school students. This is why the Board of Directors of The Bahamas Primary School Student of the Year Foundation, in partnership with the Nassau, Bahamas Pan-Hellenic Council, are calling on business, government, religion and non-governmental leaders to join in our efforts to salute the BEST and BRIGHTEST primary school students in The Bahamas. We intend to recognize over one hundred (100) students from public and private schools in New Providence, Grand Bahama and the Family Islands in the **2010 Bahamas Primary School Student of the Year Awards Program**.

This premier annual national recognition ceremony, which was established in 1997, has impacted some 1,000 talented young students and awarded over \$450,000.00 in scholarships and prizes over the past 12 years. This was done because of the great support of many individuals and agencies. I would like to once again call upon you to join other individuals and corporate entities that are committed to ensuring that we inspire another generation. Everyone has the power to make a difference in the life of a child. ***Are you going to make that difference??***

While we realize that we are encountering some tough economic times, please note that no act of giving is too small. Therefore as you plan your 2009/2010 Fiscal year Budget, we would like to consider making an investment in the life of a child.

If you have any questions and/or concerns, please feel free to contact the undersigned at: **242-364-4889 / 242-434-6089**.

We look forward to hearing from you.

Sincerely,

Ricardo P. Deveaux
President & CEO
