HONOURING THE **'WHO'S WHO'** IN PRIMARY SCHOOLS IN THE BAHAMAS

GOVERNMENT HOUSE
NASSAU, BAHAMAS

The Most Honourable Dame Marguerite Pindling, ON, GCMG
Governor-General
The Commonwealth of The Bahamas

I am delighted to extend greetings to the Chairman, President and Directors of the Bahamas Primary School Student of the Year Foundation and the Nassau, Bahamas Pan-Hellenic Council on the occasion of the 2019 Primary School Student of the Year Awards Program.

I understand that over the years, the Foundation, in partnership with the Nassau, Bahamas Pan-Hellenic Council, has recognized over two thousand, four hundred (2,400) primary school students for their academic excellence, and that this year, some one hundred and twenty-three (123) more are being specially recognized. This is indeed commendable, and I have no doubt that all Bahamians are grateful for the dedicated commitment which the Foundation and the Council continue to demonstrate.

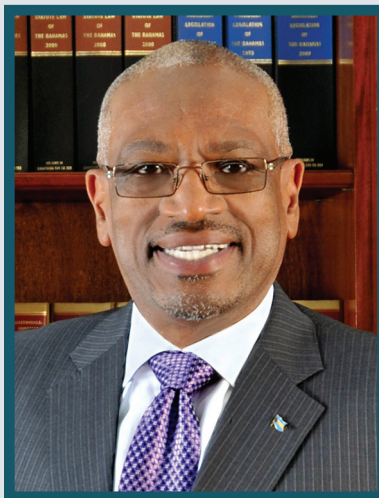

These worthy efforts towards improving the ability of young Bahamians are critical to the overall growth and development of our Nation. It must always be remembered that these young people will eventually inherit responsibility for the continued growth and development of our beautiful Country. It is therefore essential to their development that every effort be made to support them so that they will become good citizens, well-prepared to hold the reins of our Archipelago.

I also take this opportunity to applaud the parents and guardians, as well as the teachers and community supporters for their commitment to the success of their children and students, and I urge them to continue the excellent efforts through which they enhance the development of our young people.

I extend hearty congratulations to the nominees for the excellent work undertaken, and I pray that Almighty God will continue to bless and guide your laudable efforts.

COMMONWEALTH OF
THE BAHAMAS

The Most Hon. Dr. Hubert A. Minnis, M.P.
Prime Minister
The Commonwealth of The Bahamas

It is a pleasure to extend warmest congratulations to The Bahamas Primary School Student of the Year Foundation on the occasion of its 23rd Awards Program which will be held on 18th May, 2019.

The establishment of this Awards Program whose objective is to recognize the Best and Brightest primary school students throughout our Commonwealth was visionary and filled an important omission in our system. The creation of the Foundation in 1997 to govern the affairs of the Awards Program was equally an important step in institutionalizing this event, which has contributed to its growth, prestige and recognition over the years.

On 4th January, 2019, I had the pleasure of meeting the President and Executives of the Foundation, several parents and Master Remington Minnis, the 2018 Student of the Year, at the Office of the Prime Minister. That meeting afforded me the opportunity to learn and witness first hand and to be reminded of the excellent work the Foundation is doing and of the extremely talented students participating in the Foundation's Awards Program.

I have noted with tremendous pride and pleasure that the Foundation has recognized several thousand students and has awarded over one million dollars in scholarships, cash and prizes, to date. Further, and it is most noteworthy to learn that many recipients of these awards have led successful careers in the various fields at home and abroad and are making valuable contributions to this program and to the development of our country. I salute you on this most impressive accomplishment.

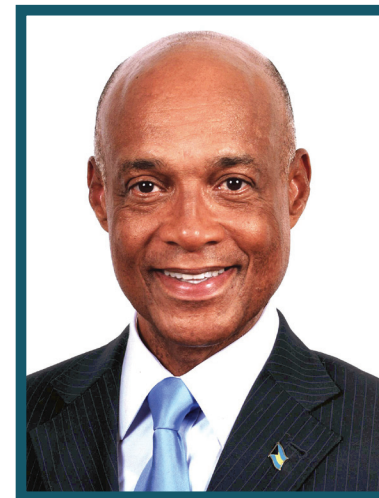

I see that 123 of the Best and Brightest students from public and private schools throughout our archipelago have been nominated to participate in the 2019 Bahamas Primary School Student of the Year Awards Program. I congratulate and salute them on achieving this important recognition. It is indeed a testament to their hard work, perseverance and commitment to excellence. I commend the Foundation's Board of Directors and the Nassau, Bahamas Pan Hellenic Council for their partnership and commitment to this outstanding program.

I also wish to commend corporate Bahamas, and all those who continue to support this program, the teachers and school administrators and parents for their commitment to the education of our young leaders of tomorrow.

CONGRATULATIONS AND MY VERY BEST WISHES.

COMMONWEALTH OF
THE BAHAMAS

The Honourable Jeffrey L. Lloyd, M.P.
Minister of Education, Science & Technology
The Commonwealth of The Bahamas

Congratulations to the 123 nominees of the 2019 Bahamas Primary School Student of the Year Awards. It inspires me to see students achieving greatness at such a tender age. Students, you are indeed among the best and brightest in Primary schools throughout the country. Your presence here tonight is indicative of your ability and determination to balance academics with extra-curricular activities. Your success offers us hope for a brighter future as the records show many of the participants of this awards programme go on to achieve significant success at the collegiate and professional levels. Every day, one can see the alumni of this programme highlighted for their accomplishments.

Former UK Prime Minister Winston Churchill said "Success is not final, failure is not fatal: it is the courage to continue that counts." Please use these words as a guide in your life's journey. This is only the beginning. You may encounter challenges along the way but you have demonstrated the fortitude to excel.

I commend Mr. Ricardo Deveaux, President and the Board of Directors of the Bahamas Primary School Student of the Year Foundation and his Team for a job well done in ensuring the nation's talented young people are celebrated. The Ministry of Education is grateful for your long-standing commitment to motivating our youth to achieve excellence. I also congratulate you on your 23rd anniversary of this awards programme.

Teachers and Parents, I applaud you for the exceptional job have done in creatively imparting the knowledge, wisdom and keen sense of purposeful deliberation to our students. Thank you for inspiring them to greatness. Continue to hold their hands as they advance to the next chapter in their development.

May the Almighty God shower His blessings on you All.

Mr. N. Vandyke Pratt
Chairman
 Bahamas Primary School
 Student of the Year Foundation

As we celebrate our 23rd Annual Bahamas Primary School Student of the year Awards Program, it is incumbent upon me to give several recognitions. Firstly commendation goes out to our Former Patrons Sir. Clement Maynard, Dr. Keva Bethel and Dame Ivy Dumont. I also offer commendation to our current Co-Patrons Dr. Davidson Hepburn and Mrs. Jacqueline Bethel who continue to be stellar representatives of this program.

Today I am thrilled to witness another great year in the involvement of schools throughout the entire Bahamas. This year One Hundred & Twenty Three (123) nominees representing New Providence; Grand Bahama; Abaco; Acklins; Andros; Berry Island; Bimini; Cat Island; Crooked Island; Eleuthera, Exuma, Inagua, Long Island, Mayaguana, and San Salvador have been awarded with medals and trophies.

What you are witnessing in this year's program, is a culmination of months of tireless planning, soliciting and administrative efforts, freely contributed, by an exemplary group of individuals. My heartfelt thanks to this stellar team comprised of the Foundation's Board of Directors and Committee Members.

We also owe a great debt of gratitude to our corporate and individual sponsors, without whom this program would not be possible. We salute these individuals and corporate entities that have deemed it to be of great significance to invest in the future of the Bahamas via this program.

Special thanks and recognition goes to our President and CEO, Dr. Ricardo P. Deveaux. His tremendous effort to ensure the success and sustainability of this program continues to inspire those who are intimately involved with the Foundation.

His hard work, along with others, has allowed us to achieve what promises to be an outstanding awards ceremony and indeed a momentous milestone of 23 years of investing in the future of the Bahamas.

To the Chairperson Mrs. Autherine Turnquest-Hanna, and all the members of the distinguished panel of judges, I commend you for giving untiringly and selflessly of your time and expertise to fulfill your vital role in making this program a success.

This year was truly a challenging one for the foundation in garnering sponsorships and scholarships. However we remained undeterred in our commitment to recognize and reward the best and brightest in our primary school system in the Bahamas. We give special recognition to REV Cable Bahamas our Title Sponsor, who has entered into an historic partnership with the Foundation. REV has not only sponsored the winner's scholarship, but they have also made a significant contribution to bringing in our Family Island nominees. Yet again numerous past nominees, several still in school, have given back to the program through scholarships of their own and sponsorship donations.

This is a testament to the impact of this program on the youth striving for distinction in this nation.

Ultimately, I would like to congratulate all the 2019 nominees as you have entered into a distinguished echelon of future leaders and world changers who have come through this program. I encourage you to continue to strive for excellence in everything you do. You are all WINNERS and have achieved much to have reached this milestone.

So continue to strive to realize excellence in your education and in life! Don't just follow the path, but blaze new paths in your pursuit of excellence. May God's blessings and favor be upon you all, as you seek his insight to fulfill your destiny.

Dr. Ricardo P. Deveaux, DHL
President & CEO
 Bahamas Primary School
 Student of the Year Foundation

It is with great pleasure that I salute the Co-Patrons Dr. Davidson Hepburn and Mrs. Jacqueline Bethel, Chairman Vandyke Pratt and Members of the Board of Directors, The Bahamas Primary School Student of the Year Foundation and Members of the Awards Committee who came together to once again combine efforts to assist in rewarding excellence among the BEST and BRIGHTEST minds in our primary schools.

Twenty-three years ago, I had the opportunity to present an idea to the Nassau, Bahamas Pan-Hellenic Council for the hosting of a National Student of the Year Awards Program. It was suggested that our target population should be primary school students. It is amazing, in 1996, what was birthed as an idea, today is a national initiative which is one of the GREATEST form of "ONE BAHAMAS". Since its inception, this Awards Program have recognized the BEST and BRIGHTEST minds in primary schools in The Bahamas, regardless of colour, creed, nationality, island or school representation or family heritage. Since our first ceremony in June 1997 and culminating with our 2019 Awards Program, The combine efforts of the Bahamas Primary School Student of the Year Foundation and the Nassau, Bahamas Pan-Hellenic Council, have resulted in over \$1.6 Million Dollars in scholarships and prizes presented to primary school students.

This year, 123 students representing Abaco, Acklins, Andros, Berry Island, Bimini, Cat Island, Crooked Island, Eleuthera, Exuma, Grand Bahama, Inagua, Long Island, Mayaguana, New Providence and San Salvador will compete for some \$200,000.00 in scholarships and prizes. Once again, we are grateful to our Title Sponsor – Rev Bahamas, all our Corporate Bahamas partners, individual donors who came together to assist us in rewarding excellence. Whether it was a scholarship, travel, trophy or prize donation, your support truly assisted in "MAKING A DIFFERENCE IN THE LIFE OF A CHILD".

I am excited to note that since our inception of this Awards Program, OVER 2,400 students have received this distinction of being listed among "THE WHO'S WHO IN PRIMARY SCHOOLS IN THE BAHAMAS". It goes without saying, that this national project, can only be undertaken and have been successful because of the dedication and sacrificial giving of time, talent and even treasure of the "dedicated few" among the Foundation Board of Directors and Awards Committee Members. With NO PAID STAFF, only volunteers, this Awards Program continue to call upon individuals who are passionate about contributing and pouring into the lives of our young people. I believe that our job of creating this premier national awards recognition ceremony, coupled with the outstanding support systems of our principals, teachers, parents and family members, have made our nominees the stars of our Bahamas. We extend best wishes to our 2019 Nominees, "YOU ARE ALL WINNERS". We look forward to your hearing about your continued successes in high school and beyond.

I would like to take this opportunity to extend our appreciation to Her Excellency Dame Marguerite Pindling – Governor-General of The Commonwealth of The Bahamas, our Prime Minister, Dr. the Most Honourable Hubert A. Minnis, M.P. and our Minister of Education, Hon. Jeffrey L. Lloyd, M.P. for the support that they have given to this Awards Program. To Mrs. Autherine Turnquest-Hanna – Chairperson, Mr. Philip Stubbs, CA – Chief Tally Judge and Members of the Distinguished Panel of Judges, who once again unselfishly gave of their time to review the portfolios and have the difficult task of selecting the BEST from among the BEST in The Bahamas, thanks for assisting to maintain the high standards set that your blue ribbon panel.

Finally, this year, we were saddened at the passing of Vice-President Emeritus Phenton Neymour. He made his contribution since the inception of this Awards Program in the form of trophy and scholarship donations and offering his leadership to the formation of this Awards Committee and subsequently, the Foundation. We will remember his contribution. We were also saddened by the passing of two mothers of this program – Kathryn Glass Gibson, mother of our 2018 Finalist Reiyah Gibson and Anthonique Knowles, mother of our 2019 Nominee Logan Knowles. We extend our prayers for Reiyah and Logan and their respective families. May God bless these and all of our Awards Program Families.

Mr. Derek W. Smith, Jr., CAMS
Local Council President
 Nassau, Bahamas Pan-Hellenic Council

Cheryl Conner, a contributor to Forbes Magazine noted in her article, titled: For Personal and Business Success, Connection Is the KEY, said that communication rules the universe, but communication that forges connection is the critical key.

From our council's inception, we have vowed to be a collaborative organization striving for a consensus of thought and address problems of mutual interest to our member affiliates. Long before our official chartering in February 1995, the Bahamian community benefited from multiple levels of community service undertaken or initiated by the local National Pan-Hellenic Council. The NPHC promotes interaction through forums, meetings and other mediums for the exchange of information and engages in cooperative programming and initiatives through various activities and functions. Arguably our most notable innovation was birthed in 1997 when we established the Bahamas Primary School Student of The Year program which is the premier National Awards Recognition program for 6th grade students in The Bahamas. Moreover, the now foundation notes that since 1997, it has impacted more than 2,400 students and given over 1.5 million in scholarships and prizes.

The officers and members of the Nassau, Bahamas National Pan-Hellenic Council salute the chairperson, president, board of directors, patrons, scholarship donors and committee member for the unwavering support and recognition of Bahamian youth.

Our Council, which is comprised of Alpha Phi Fraternity, Inc., Alpha Kappa Alpha Sorority, Inc., Kappa Alpha Psi, Fraternity, Inc., Delta Sigma Theta Sorority, Inc., Omega Psi Phi Fraternity, Inc., Phi Beta Sigma Fraternity, Inc., Zeta Phi Beta Sorority, Inc. and Sigma Gamma Rho Sorority, Inc. pledge to continue working in the spirit of selfless service and support of this Foundation. On an annual basis, the NPHC and our affiliate chapters have served as Scholarship donors, Board Directors, Committee Members and Volunteers.

Finally, to the 2019 Nominees – Congratulations! You are being rewarded for steps that you have already taken. Remember, EVENTUALLY everything connects - people, ideas, objects. The quality of that connection is a key factor to a purposeful, fulfilling, and positive life

HISTORY

THE VISION

The Bahamas Primary School Student of the Year Awards Program is a premier national awards recognition program for 6th graders in The Bahamas. The program was introduced by Ricardo P. Deveaux - Distinguished Charter President of the Nassau, Bahamas Pan-Hellenic Council and was designed to salute the achievements of our younger achievers. Mr. Deveaux was impressed with the prestigious Florida College Student of the Year Awards Program sponsored by Florida Leader Magazine and Oxendine Publishing Company and felt the need to establish a national awards program in The Bahamas. He was one of the finalists in the 1992 Florida College Student of the Year Awards Program.

THE HISTORY

In November 1996, the idea of a Student of the Year program was submitted to the Council for acceptance. The program immediately received its endorsements from four educators who were serving as Executive Council Members at the time: Sharon Poitier (Alpha Kappa Alpha), Anastacia Brown (Delta Sigma Theta), Carolynn Hall-Knowles (Delta Sigma Theta) and Garnell Rolle (Zeta Phi Beta); and The Nassau, Bahamas Pan-Hellenic Council. The program also received the endorsement of Senator Dame Dr. Ivy Dumont - Minister of Education (later Her Excellency Governor-General of The Commonwealth of The Bahamas and Patron of the Bahamas Primary School Student of the Year Awards Program.) A committee was formed and Ms. Anastacia Brown was selected as the Committee Chairperson. The Council selected June 9th, 1997 as the date for the first Bahamas Primary Student of the Year awards program. Thirty-one (31) students representing private and public school students in New Providence were the first nominees in the awards ceremony. The ceremony was held at the Ballroom at Government House with Their Excellencies Sir Orville Turnquest - Governor-General and Lady Edith Turnquest in attendance. In his remarks, The Governor-General challenged the Council to include students from the Family Islands in future ceremonies. Vashti Darling, a ten year-old sixth grade student of St. John's College was selected as the 1997 Primary School Student of the Year. Since 1998, Family Island students have participated in the awards program. Now in its nineteenth year, The Bahamas Primary School Student of the Year Awards Program continues to recognize students who are academically gifted, civic and

campus leaders, and community volunteers. Atlantic Medical Insurance was the first major sponsor of The Bahamas Primary School Student of the Year, presenting a \$1,000 scholarship in 1998.

INTERNATIONAL RECOGNITION

The Bahamas Primary School Student of the Year Awards Program received its first international recognition when it was selected as the Most Outstanding Original Program by National Pan-Hellenic Council – Southern Region in October 1998.

The Foundation's official launch was held in the form of a luncheon at The Ballroom at Government House and hosted by Her Excellency Dame Ivy Dumont, then Governor-General of The Commonwealth of The Bahamas. The thirteen member Board of Directors were officially presented with their letters of appointment to govern the affairs of The Foundation. The Bank awarded the Foundation with a grant in recognition of Ricardo Deveaux being selected as the First Caribbean International Bank – 2004 Bahamas Unsung Hero. 2012 – 10th Place Finalist

Six years ago, in the spring of 2013, I was given the opportunity to represent my school, Genesis Academy, in The Bahamas Primary School Student of the Year Awards Ceremony. When I first received the news, I was flattered, yet terrified at the daunting task. I was unaccustomed to the idea of representing my school, my family, and myself on a national stage. However, I gladly accepted with honour after I came to the realization that this was an experience that would last a lifetime.

When it was time for me to put my portfolio together, I thought to myself, "Why in the world would someone like

In 2018, I had the opportunity to participate in the Student of The Year Awards Program and I counted it such a great honour to have been chosen and to be awarded as I was. The work required did stretch me as an individual from the compiling and organization of my portfolio to the essay writing all while juggling my regular semester work and exam schedule but the experience, exposure and friends that I gained made it all worth while in the end. I loved participating in the program not only for the prizes and scholarships but also for the fun that we had and for all of the many new friends that I made.

Being a part of the Student of the Year Program has taught me that it doesn't matter where you rank overall in the

Greetings, my name is Jeffon Stubbs. I was a 2010 Student of the Year nominee representing St. Anne's Primary School. I am excited to share that, nearly 10 years later, the Bahamas Primary School Student of the Year Foundation is still impacting my life! Back in 2010, being a nominee was quite exciting. The endless congratulatory remarks by friends and loved ones were overwhelming. The level of respect that individuals had for me being nominated still boggles my mind. The friendship borne out of sharing such an exciting experience with so many other students also stands out in my mind. Most notably, the entire

2009 – Fourth Runner Up

St. John's College – Primary

I participated in the Primary School Student of the Year program in 2004 and it provided my first opportunity for competition on a national stage.

After graduating from high school in The Bahamas, I attended the University of Richmond (UR) and obtained my Bachelor of Science in Biochemistry and Molecular Biology while minoring in Healthcare studies. After graduating in 2015, I worked as a Healthcare and Science Policy Analyst

February 2009 began the turning point in my young life when I was nominated by my school, St. John's College, to compete in the prestigious Bahamas Primary School Student of the Year Awards Program and chosen as the 4th runner up, receiving a \$3,000 scholarship, sponsored by Commonwealth Bank. Thank you!

And the journey continues:

I am a proud alumnus of St. John's College, St. Augustine's College, The Leadership Academy and American Heritage School of Boca Raton where I was privileged to have been

given the enviable opportunity to pursue my baseball career while obtaining a high-school education and showcasing for the baseball world as orchestrated by Freedom Farm Baseball League.

July 2nd 2015, my 18th birthday - I was drafted by The San Francisco Giants Organization; this was the best gift I could ever ask for and accounts for the greatest milestone and most memorable occasion in my life and indeed a history-making moment for me and The Bahamas. This has repositioned the sport of baseball to its rightful place within our country and I am forever grateful for my contributions in this venture.

November 19th, 2016 - I was chosen as "The Overall Junior Male Athlete of the Year" by the Ministry of Youth, Sports & Culture at its Bahamas National Sports Award 2016 Ceremony.

July 2017 - MLB All Stars Futures Game - 30 of the top 100 prospects represented the U.S. and World teams - I was privileged to be a part of the World's team and to represent The Bahamas. I was also nominated for the Bahamian Icon Award.

January 6th 2018 - Inaugural "Don't Blink" Homerun Derby in Paradise - Co-Partnered with Todd Isaacs, Jr. to host the 1st Annual Derby held at Montague Foreshore where a number of international and national professional baseball players participated and thousands of Bahamians spectated. This initiative is in an effort to highlight the Bahamian talents, give back to the youth of the nation and boost the tourism dollar, which God blessed. The kids are the future and we take great delight in helping them every opportunity we get.

July 2, 2018 Bahamian Icon Award - Nominated once again and I give God, the organizers and the Bahamian people thanks for counting me worthy of such an honor.

August 2018 - Promoted to the Montgomery Biscuits - The team is the Double-A affiliate of the Tampa Bay Rays, A Minor League Baseball team based in Montgomery, Alabama. This advancement is taking

me closer to realizing my dream. My name is Arron Edgecombe, a freshman electrical engineering student at the University of Miami. As the 2018 All Bahamas Merit Scholar, I am thankful to God for everything He has blessed me with throughout my life: family, friends, teachers, and mentors who helped to shape me into the man I am today. I attribute a lot of my success to my experience in the Primary School Student of the Year competition, in which I was the 10th place finalist in 2012.

I remember it like it was yesterday, sitting among the best and brightest in the country, anxiously waiting to see where I stacked up. I remember the nerves getting the best of all of us, causing our hands to shake and hearts to beat out of our chests. When I finally heard my name for 10th place, I breathed a sigh of relief and eagerly received my prize. The honor got me exposed to what it feels like to be rewarded for hard work and determination, and once I tasted that

me closer to realizing my dream.

November 17, 2018 - Arizona Fall-Ball All Stars Tournament - I was chosen by my organization to participate in the tournament and was humbled. My team, Peoria Javelinas, actually won the title (God be praised).

January 5th, 2019 - 2nd Annual "Don't Blink Homerun Derby - Another smashing success and this year we were privileged to have the Minister of Education participate, the Minister of Tourism and Leader of the Opposition spectate. This year we were able to make donations to the Sister Sister & Cancer Society of The Bahamas organizations. IT IS INDEED MORE BLESSED TO GIVE THAN TO RECEIVE.

February 21 - March 26, 2019 - Arizona Spring Training - My organization has afforded me the opportunity to train and play some games with my fellow major league counterparts and the experience is unimaginable.

I take this opportunity to thank this renown organization and visionary Mr. Ricardo Deveaux and the dedicated Members of The Bahamas Primary School Student of the Year Foundation and Awards Committee for the excellent job they are doing to highlight the "BEST AND BRIGHTEST PRIMARY SCHOOL STUDENTS, including my baby sister D'Antae Fox who has been nominated by her school (First Step Academy) this year. Congratulations "Tiny", continue to soar like an eagle and may God continue to direct your path and bless all your endeavors. I also thank God for my parents, families (including church) and all those who have played and continue to play an instrumental role on this journey. May the life I live and the service I give continue to speak for me.
