HONOURING THE "WHO'S WHO" IN PRIMARY SCHOOLS IN THE BAHAMAS

GOVERNMENT HOUSE
NASSAU, BAHAMAS

**The Most Honourable
Sir Cornelius A. Smith, O.N., GCMG.,
Governor-General
Commonwealth of The Bahamas**

I am delighted to extend greetings to the Co-Patrons, Chairman, President and Directors of the Bahamas Primary School Student of the Year Foundation, and on the occasion of the 2022 National Primary School Student of the Year Awards.

I am aware that, over the years, the Foundation has recognized over two thousand eight hundred (2,800) primary school students for their academic excellence. This is indeed commendable, and I have no doubt that all Bahamians are grateful for the dedicated commitment which the Foundation continues to demonstrate.

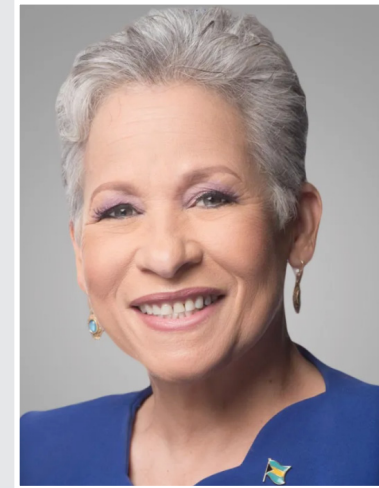

Without doubt, the recognition of Students who display high standards in their academic studies is worthy of recognition and reward, inasmuch as they are being enabled to make effective and important contributions to the continued development of our Nation. As young people, it must always be remembered that our young people will eventually inherit the profound responsibility for the continued development of our beautiful Country. It is the duty of organizations like the Foundation, and others, to continue to contribute effectively toward ensuring the building of a better Bahamas for the good of all our people.

I am therefore very pleased to applaud this Foundation, as well as the parents and guardians, the teachers, and the community supporters for their untiring commitment to the success of the students generally; and in particular, to those being honoured today.

It is a pleasure to extend hearty congratulations to the honourees for the excellent and successful work undertaken, and I pray that Almighty God will continue to bless and guide their laudable efforts.

COMMONWEALTH OF
THE BAHAMAS

**The Hon. Glenys Hanna-Martin, M.P.
Minister of Education and Technical
and Vocational Training**

It is with much pleasure that I salute the profound vision of the Primary School Student of the Year Foundation (PSSOTY) to highlight the achievements of our most outstanding primary school students. The fact that you are now celebrating your twenty-sixth anniversary of this nation-building endeavour recognizing academic excellence, continues to generate goodwill nationally and create a stimulus for high performance.

Since 1997 more than 2,800 of the nation's best and brightest primary school students were recognized by the PSSOTY Foundation, awarding them with more than two million dollars in scholarships and prizes. I am extremely delighted that this programme is national in scope, as evidenced by the number of deserving family Island students whose lives were positively impacted after being awarded a scholarship. These and other awardees have proven that the PSSOTY Foundation is wise each year in singling out the nation's future leaders. Today, many former scholarship recipients are making their mark in the fields of health, law, education, banking, religion, and even politics. This is a programme that has proven most worthy.

This year, apart from New Providence, nominees hail from eleven Family Islands competing for more than \$200,000.00 in scholarships and prizes. More importantly, no nominee will leave empty-handed. Each of the one hundred and two nominees will receive a minimum of \$1,000 scholarship.

The Ministry of Education and Technical and Vocational Training is gratified that the PSSOTY Foundation is a partner which embraces our goal to prepare our students to become productive citizens who are critical thinkers, innovative problem-solvers, and team players who are environmental stewards.

I take this opportunity to congratulate the one hundred and two nominees for their achievements thus far. Continue to focus on your academic excellence.

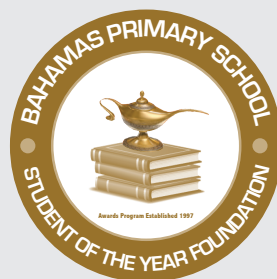

I encourage more corporate sponsors and others of goodwill to support our young people by supporting the PSSOTY Foundation. These nominees have exhibited resilience in excelling despite the challenges of the Corona Virus pandemic. These children are to be commended for learning and excelling academically in a virtual environment. They are proof positive of the immense potential of our nation's children.

I also salute parents, teachers, administrators and others who continue to light the path in support of our young people to reach their purpose in their academic journey.

Congratulations to all !

Mr. N. Vandyke Pratt
Foundation Chairman

Ricardo P. Deveaux, DHL
Foundation President & CEO

As we celebrate our 26th Annual Bahamas Primary School Student of the year Awards Program, it is incumbent upon me to give several recognitions. Firstly commendation goes to our President & CEO Dr. Ricardo Deveaux for his visionary leadership in producing this awesome idea and the NPHC for running with the vision and creating this program 26 years ago.

Further commendation goes out to all the former Patrons of this program especially our founding Patrons Sir. Clement Maynard & Dr. Keva Bethel who are no longer with us. The past two and a half years have presented formidable challenges for us in the Bahamas with the devastating effects of Hurricane Dorian on Abaco and Grand Bahama and the outbreak of the Pandemic of the Coronavirus. In the Foundation we were touched deeply as we lost two of the Foundation's Directors to the virus. Through it, all even in the midst of the valley of life's uncertainty, this program has persevered. We continue to strive to inspire and give hope to future generations of Bahamian youth who endeavor to achieve excellence in both educational pursuits and character building. In spite of the residual effects of the pandemic and the winds of economic downturn looming, we remained resolute to amass all we could to recognize the future of this nation for their excellence even at their young age.

As I reflect on the magnitude of the impact of this program on the lives of thousands of students over the past 26 years, it is truly awe-inspiring. As we celebrate the 2022 nominees we have again reached a significant milestone as the corporate Bahamas, church, fraternal, civic, and individual sponsors have responded tremendously. Every nominee will receive a minimum of a one thousand dollar scholarship this year. My heartfelt thanks to this stellar team comprised of the Foundation's Board of Directors and Committee Members who worked assiduously to make this happen.

We also owe a great debt of gratitude to our corporate and individual sponsors, without whom this program would not be possible. We salute these individuals and corporate entities that have deemed it to be of great significance to invest in the future of the Bahamas via this program.

To the Chairperson Mrs. Autherine Turnquest-Hanna and all the members of the distinguished panel of judges, I commend you for giving untiringly and selflessly of your time and expertise to fulfill your vital role in making this program a success.

I also offer commendation to our current co-patrons Dr. Davidson Hepburn and Mrs. Jacqueline Bethel who continue to be stellar representatives of this program.

We give special recognition to REV Cable Bahamas our Title Sponsor. REV has not only sponsored the winner's (\$7,000) scholarship, but they have also made a significant contribution to bringing in our Family Island nominees.

Yet again numerous past nominees, several still in school, have given back to the program through scholarships of their own and sponsorship donations. This is a testament to the impact of this program on the youth striving for distinction in this nation. Since 1997 - 2022 \$2 Million Dollars in scholarships and prizes have been awarded to over 2,800 nominees an accomplishment we want to continue to build on.

Ultimately, I would like to congratulate all the 2022 nominees as you have entered into a distinguished echelon of future leaders and world-changers who have come through this program. I encourage you to continue to strive for excellence in everything you do. You are all WINNERS and have achieved much to have reached this milestone. So continue to strive to realize excellence in your education and in life! Don't just follow the path, but blaze new paths in your pursuit of excellence.

May God's blessings and favor be upon you all, as you seek his insight to fulfill your destiny.

"Excellence is not a destination; it's a continuous journey that never ends."

The 26th Annual Bahamas Primary School Student of the Year Awards Ceremony is truly a celebration of the successes of our students, who despite their age and the COVID pandemic, have proven that they are resilient, trailblazers, community activists, campus leaders, scholars, athletes and philanthropists. The past six years, they have prepared for this moment as they are being recognized as the BEST and BRIGHTEST primary school students in our Country.

Our nomination process began in October 2021, when we submitted our electronic packages to each primary school throughout The Bahamas. We are truly grateful to the 102 schools which took advantage of the opportunity to have their students recognized at the National level. We are excited to report that for the third consecutive year, our Foundation was able to secure **over \$200,000.00 in scholarships and an additional \$50,000.00 in prizes**. Our 26th Awards Program will see, **EVERY NOMINEE receiving a minimum of a \$1,000.00 scholarship**. This means that **ALL 102 Nominees** are indeed **WINNERS!!!!**

Achieving this phenomenal success was the result that our fraternal, civic, corporate and individual donors believed in our nominees and was determined to reward excellence at the primary school level. Special commendations goes out to Mrs. Autherine Turnquest-Hanna and members of her Distinguished Panel of Judges, who once again reviewed all of the application packages received and their tasks seriously to identify our winners. I also commend Mr. Philip Stubbs, CA - Former Managing Partner at Ernst & Young who served as this year's Chief Tally Judges and provided the official results of this year's Awards Program.

The vision to create an Awards Program to inspire students at the primary school levels has served as an excellent motivating factor for over **2,800 students** since this program was created in 1997. Indeed we have grown from 1997, when 31 students represented all New Providence schools to 2022, where 102 students represented Abaco, Andros, Berry Islands, Bimini, Cat Island, Eleuthera, Exuma, Grand Bahama, Inagua, Long Island, and New Providence.

We offer commendations to our corporate partners, school administrators and teachers, and parents and guardians who came together to ensure that excellence was rewarded at the primary school level.

Finally, This Awards Program is impacting lives in The Bahamas. We are grateful to the Former Nominees who continue to inspire us and give us hope that all is not lost in The Bahamas. You provide inspire to our nominees. To our 2022 Nominees, **YOUR HARD WORK and commitment to excellence earned you a spot to be recognized nationally**. We encourage you to continue on this road as you navigate high school and beyond.

CONGRATULATIONS and May God bless you!!!

Mr. Vincent Thompson
President
Nassau, Bahamas Pan-Hellenic Council

The Officers and Members of the Nassau, Bahamas Pan-Hellenic Council, partnered with the Bahamas Primary School Student of the Year Foundation to host the 26th Annual Bahamas Primary School Student of the Year Awards Program. Since 1997, when this program was created by the Nassau, Bahamas Pan-Hellenic Council, under the presidency of **Distinguished Charter President Dr. Ricardo P. Deveaux**, over 2,800 of the nation's BEST and BRIGHTEST primary school students have been recognized.

On this the 26th Annual Awards Program, I am pleased to salute individuals like: Soror Carol L. Smith and Soror Garnell Rolle (Zeta Phi Beta Sorority, Inc.); Soror Dr.Carolynn Hall-Knowles; Soror Anastacia Brown and Soror Myra Mitchell (Delta Sigma Sigma Theta Sorority, Inc.); Soror Sharon Poitier; Soror Lisa Major and Soror Kenris Albury (Alpha Kappa Alpha Sorority, Inc.); Frater Ricardo P. Deveaux and Frater Shane Albury (Alpha Phi Alpha Fraternity, Inc.); and the Late Frater Phenton Neymour (Phi Beta Sigma Fraternity, Inc.)who worked diligently over 25 years ago to create this program and served as the Founding Committee Members. I would like to personally take this opportunity to pay tribute to Frater Dr. Ricardo Deveaux; Soror Carol Smith and Soror Myra Mitchell, three of the Founding members who are still actively working and committed to its success, some 26 years later. Thank you for your service, the NPHC is indeed grateful.

The success of this program over these years was in part to the committed partnership of the Greek Lettered Fraternities and Sororities; corporate; civic and individual donors; the Ministry of Education and our private and public schools.

I would like to take this opportunity to extend commendation to our **Chairman Frater Vandyke Pratt** and members of the Foundation Board of Directors and Members of the Awards Committee who worked collectively to bring one of the premier awards schemes in this country. Truly it is commendable that for third consecutive year, each nominee will receive a minimum of a \$1,000.00 scholarship.

The Council offer congratulations to the parents, guardians, family members and the respective schools who were an integral part of the success of our 2022 Nominees. We would like to encourage you to continue to inspire our young scholars.

Finally, our 2022 Nominees, You are truly the future "movers" and "shakers" in our Bahamas. You made through the challenges of the last two years of the COVID pandemic; and you still came out shining, CONGRATULATIONS and may God continue to Bless you.

REV
you & us together

Franklyn Butler
President & Group CEO
Cable Bahamas

REV and The Cable Bahamas Group of Companies are extremely proud for the 4th consecutive years to be the title sponsor for The Bahamas Primary School Student of the Year Awards Ceremony. This year brings our total cash sponsorship to more than \$65,000.00 over the years and this figure is completely separate from our in-kind donations.

We believe that the magnitude of our investment speaks to our belief in the work the Bahamas Primary School Student of the Year Foundation does within our communities through the investment in our young people. We firmly believe that the future of our students is certainly worth our time, talent and resources as we seek to connect them and all Bahamians to the people, places and resources they love through being the leader in enabling connected lifestyles and experiences.

We commend the Bahamas Primary School Student of the Year Foundation Team on their tireless efforts in rewarding and celebrating the best and brightest across our islands and we look forward to continuing to support this worthy cause for years to come.

We congratulate all of the awardees for their hard work, commitment and resolve to excel especially during this pandemic period and we are delighted to partner in making The Bahamas better, one student at a time.

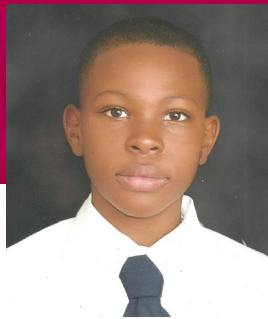

REV, You and Us Together.

History

VISION STATEMENT

The Bahamas Primary School Student of the Year Foundation is committed to recognizing and encouraging academic excellence and leadership development among the Who's Who in the Primary Schools in our educational system. Through this prestigious awards program, we seek to reward, encourage, and inspire these students in their pursuit of excellence.

MISSION STATEMENT

The Bahamas Primary School Student of the Year Awards Program recognizes outstanding 6th grade students in the Bahamian Educational system regardless of colour, creed, family heritage, island or school representation, nationality or religious affiliation.

THE AWARDS PROGRAM

The Bahamas Primary School Student of the Year Awards Program is a premier National Awards Recognition program for 6th graders in The Bahamas. Since it was established in 1997, over 2,800 primary school students have been recognized and over \$2 Million Dollars in scholarships and prizes presented. The 2022 Totals: \$205,000.00 in scholarships and \$50,000.00 in prizes (Airline tickets, trophies, medals, computers, donation of books and other prizes) Grand total: over \$2.2 Million Dollars since 1997 in scholarship and prizes.

THE VISION

The Bahamas Primary School Student of the Year Awards Program is a premier National Awards Recognition program for 6th graders in The Bahamas. The program was introduced by Ricardo P. Deveaux - Distinguished Charter President of the Nassau, Bahamas Pan-Hellenic Council and was designed to salute the achievements of our younger achievers. Mr. Deveaux was impressed with the prestigious Florida College Student of the Year Awards Program sponsored by Florida Leader Magazine and Oxendine Publishing Company and felt the need to establish a national awards program in his country. Ricardo was one of seven finalists in the 1992 Florida College Student of the Year Awards Program.

THE HISTORY

In November 1996, the idea of a Student of the Year program was submitted to the Council for acceptance. The competition immediately received its endorsements from four educators who were serving as Executive Council Members at the time: Sharon Poitier (Alpha Kappa Alpha), Anastacia Brown (Delta Sigma Theta), Carolynn Hall-Knowles (Delta Sigma Theta) and Garnell Rolle (Zeta Phi Beta) and the Nassau, Bahamas

Pan-Hellenic Council. The program also received the endorsement of Senator Dame Dr. Ivy Dumont - Minister of Education (later Her Excellency Governor-General of The Commonwealth of The Bahamas.)

A committee was formed, and Ms. Anastacia Brown was selected as the Committee Chairperson. The Council selected June 9th, 1997 as the date for the first Student of the Year awards program. Thirty-one (31) students representing private and public-school students in New Providence were the first nominees in the awards ceremony. The ceremony was held at the Ballroom at Government House with Their Excellencies Sir Orville Turnquest - Governor-General and Lady Edith Turnquest in attendance. In his remarks, His Excellency challenged the Council to include the Family Islands in future contest. Vashti Darling, a ten-year-old sixth grade student of St. John's College was selected as the 1997 Primary School Student of the Year.

INTERNATION REGOGNITION

In October 1998, The National Pan-Hellenic Council - Southern Region selected the Bahamas Primary School Student of the Year Awards Program as the Most Outstanding Original Program. This was the first international award won by the Nassau, Bahamas Council.

SCHOLARSHIP SPONSORS

Atlantic Medical Insurance was the first major sponsor of the Bahamas Primary School Student of the Year Award Program from 1998 - 2005, donating a scholarship to Student of the Year Winner. In 2006, Mr. Basil Neymour became the Title Sponsor and served until 2008. Some of the other Title Sponsors have been Bahamas Office & School Supplies (BOSS), Bank of The Bahamas International, Bahamas Telecommunications Company and Royal Bank of Canada. In 2007, Mr. Clarence N. Childs - Retired Vice-President of Student Affairs at Bethune-Cookman College became the first international scholarship donor. Between 2007 - present, he has impacted the life of a Bahamian student. In 2015, Delta Sigma Theta Sorority, Inc. - Educational Research Foundation became the second international donor. In 2019, REV Bahamas became our Five Year commitment Title Sponsor partner with a total investment of \$75,000.00 in direct funding and additional in kind sponsorship. In 2h022, Oaktree Medical Center and Fidelity Bank Bahamas joined as Major Sponsors and investment over \$10,000.00. They were joined by Scotiabank and an anonymous donor investing over \$10,000.00 each towards the scholarship in 2022.

THE FOUNDATION

Under the Presidency of Mrs. Cyndi Williams-Rahming, a proposal was submitted to the Nassau, Bahamas Pan-Hellenic Council for the Student of the Year Awards Program to be incorporated under a Foundation. The

proposal was submitted and approved by the Council in May 2004 and incorporated under The Companies Act of 1992 of The Commonwealth of The Bahamas in June 2004. It was agreed that members of the 2004 Awards Committee would comprise of the Founding members of the Board of Directors of The Bahamas Primary School Student of the Year Foundation.

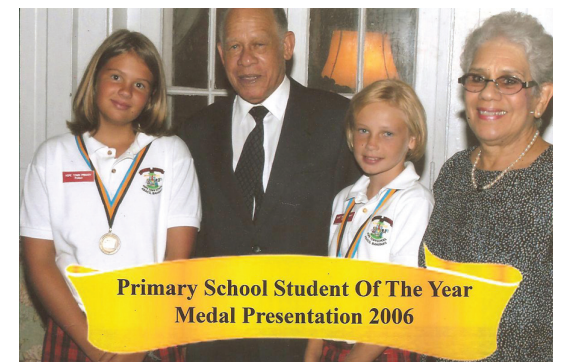

Wednesday, August 4th, 2004 was a historic day for the officers and members of the Nassau, Bahamas Pan-Hellenic Council. The official launch was held in the form of a Luncheon at The Ballroom at Government House and it was hosted by Her Excellency Dame Ivy Dumont (then the Governor-General of The Commonwealth of The Bahamas). The thirteen-member Board of Directors were officially presented with their letters of appointments.

The founding Directors were Cyndi Williams-Rahming - President, Ricardo P. Deveaux - Chairman, Tanya Woodside - Vice-Chair of Development, Carol L. Smith - Vice-Chair of Administration, Andre' A. Moss - Treasurer and Margo Adderley - Secretary. Directors were: L. Gerard Archer, Vaughn L. Culmer, CC LaFleur, Myra Mitchell, Eugene 'Geno' Nairn, Phenton Neymour and Steven G. Strachan.

Attorney Debi Williams-Hancock of Williams Law Chambers completed the entire legal framework for the Foundation (gratis). Williams Law Chambers became the official registered office of the Foundation.

The Foundation was officially established with five hundred dollars (\$500) from the Nassau, Bahamas Pan-Hellenic Council and a six thousand-dollar (\$6,000) grant from the First Caribbean International Bank. The Bank awarded the Foundation with a grant in recognition of Ricardo Deveaux being selected as the First Caribbean International Bank - 2004 Bahamas Unsung Hero. He was recognized for his work with the Bahamas Primary School Student of the Year Awards Program.

The Bahamas Primary School Student of the Year Foundation, in partnership with the Nassau, Bahamas Pan-Hellenic Council looks forward to continuing to host this Awards Program for the benefits of primary school students in this country.

SALUTING OUR FORMER NOMINEES - CLASS OF 2022

She represented C. W. Sawyer Primary School in the 2012 Awards Program.

Nadja Simon
2012 - Student of the Year

Nadja graduated from Lipscomb University with a Bachelor of Science Degree in Biology, Honors College. She has been accepted into the Master of Science Degree in Biomedical Sciences for Fall 2022. She represented Genesis Academy in the 2012 Awards Program

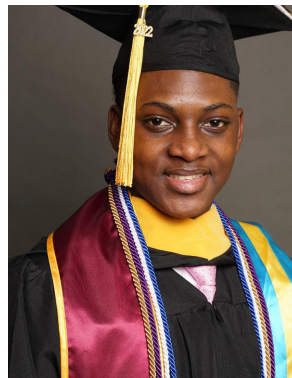

Caden Smith
2016 - Second Runner Up

Caden graduated from St. Anne's High School with Distinction (4.00 CGPA) and as the Head Girl. She received a Full United World College Scholarship to attend the East Asia Campus in Singapore. She will pursue a degree in Communications and Marketing with a minor in Political Science. She established the Bahamas Red Nose organization in 2015 and it continues to provide breakfast and now healthy snacks for the students of Sandilands Primary School. She also provided food parcels to families in need throughout the pandemic.

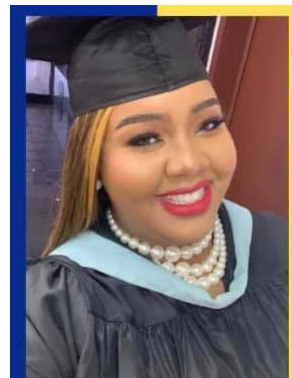

T'ron Strapp
2016 - Semi-Finalist

T'Ron graduated from Aquinas College with a CGPA 3.88. He plans to attend Hofstra University to pursue a Bachelor's Degree. He represented Garvin Tynes Primary School in the 2016 Awards Program.

Kentin Wallace
2012 - 19th Place Finalist

Kentin graduated from Central State University with a Bachelor of Business Administration Degree in Finance. He graduated Summa Cum Laude with a CGPA of 3.98. Kentin has maintained President's List status throughout his four years in University. He represented Burnt Rock Primary School in the 2021 Awards Program.

Alexis R. Williams
1998 - Finalist

Alexis graduated with a Bachelor's Degree in Early Childhood Education from The University of The Bahamas. She was a member of the UB Chapter of Education Awareness Society. She represented C. W. Sawyer Primary School in the 1998 Awards Program.

Dana Woods
2006 - Finalist

Dana graduated with a Bachelor's Degree in Primary Education from The University of The Bahamas. She was a member of the UB Chapter of Education Awareness Society. She represented C. W. Sawyer Primary School in the 2006 Awards Program.

WHAT A FORMER NOMINEE HAD TO SAY...

Bynai Rolle
2016 – Finalist

Mary, Star of the Sea Catholic Academy
Grand Bahama
2022 Honour Graduate
Mary, Star of the Sea Catholic Academy
2022 Valedictorian, Alpha Kappa Alpha Sorority, Inc.
Eta Psi Omega Chapter - Honours Day Convocation

In 2016, I had the wonderful honor and privilege to be a part of the Bahamas Primary School Student of the Year Awards Ceremony, representing Mary, Star of the Sea Catholic Academy (MSSCA). The weekend was an amazing experience that I remember quite thoroughly; I was bestowed a medal by the Governor General, Dame Marguerite Pindling and won a \$1,500.00 scholarship for high school. I also met some new friends with whom I still keep in contact. I am grateful that I received the honor of being a Finalist. It is because of the foundation, that I was motivated and had the desire to continue excelling throughout my high school tenure.

Since my time in the Bahamas Primary School Student of the Year Awards Program, I have accomplished a myriad of achievements that would not be possible without support from so many and the grace of God. I received a 1270 on the December 2021 SAT, 4 A's on English Language, Mathematics, Chemistry and Physics BGCSE. 10 BJC- 9A's (English Language, English Literature, Mathematics, General Science, Health Science, Spanish, Social Studies, Religious Studies, Technical Drawing) & 1B (Craft). I also received a National Honorable Mention for BJC Results in 2019 and the most Outstanding BJC Results at MSSCA (2018 & 2019). Most recently, I have been named the Valedictorian of the 44th Honours Day Programme of the Eta Psi Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated. Not only have I received academic achievements, but also, leadership roles such as President of the MSSCA Student Council, Immediate Past-President and Director of the Anchor Club of MSSCA, and Secretary of the 20 Pearls program of the Pi Upsilon Omega chapter of Alpha Kappa Alphas Sorority, Incorporated.

To the current nominees for the Bahamas Primary School Student of the Year Foundation, I encourage you to not let this honor be the end of your journey. Instead allow this to be the beginning of your many triumphant endeavors and when you succeed, remain humble and resilient when you face some of life's toughest obstacles. Congratulations for being selected as a nominee for the 2022 Bahamas Primary School Student of the Year and may God bless you all!

Oscar LB Moore
1998 - Nominee

Excellence in Academics Winner
T. G. Glover Primary School
New Providence
Currently: Engineer, Google LLC

"No man is an island." - John Donne
1624

When I reflect on the blessings in my life, many, if not all the memories circle back to the helping hand of a teacher, the guidance of a counselor, the encouragement from my parents, and the helpful advice from my friends. I owe all the successes in my life and career to the incredible people around me and the community from which I came.

My nomination for the second inaugural Bahamas Primary Student of the Year Award (1998) was completely out of my hands; I recall vividly the morning my 6th-grade teacher, Mrs. Turner, sweetly but authoritatively told me I would be representing our school in the award ceremony; most importantly with the honor of meeting the Governor-General of The Bahamas. Mrs. Turner, like all the teachers who took me under their wings at T.G. Glover Primary, only ever pushed me to success, and much like before, I trusted her guidance. As a child, I was terribly shy, and the thought of meeting the Governor-General in front of other successful students (who most certainly must be smarter

than me!) shook my self-esteem. Mrs. Turner could sense my emotions before I timidly expressed them. Her reassuring hand on my shoulder and supportive smile were all I needed to step forward confidently and accept an award for Excellence in Academics.

With the many steps, I've taken since, including walking the stage to accept my B.Sc in Computer Science at Trent University (Ontario, Canada), working as a management consultant for PricewaterHouseCoopers (London, UK), and currently a Customer Engineer at Google (Miami, FL) I recall often the encouragement and confidence I gained being recognized as a Student of the Year from my school of T.G. Glover. Where some may think a good education is only available to the privileged, I am an example of what can be gained at any school; with the right attitude and great teachers. I encourage all the primary school students to stick closely to your teachers, and absorb as much as you can. Every step you take is one on the journey of your success.

Zachary Lyons

Currently: Partner, Marlin Capital Partners Limited

"The Student of the Year for 2002 is..."

I don't remember much from that night, but I do remember my legs feeling like jello, "The World's Greatest" playing at full volume, and all the kids around me excitedly telling me that I had, in fact, won. Just moments before, Erin (another QC student) had secured a spot as one of the runners-up, and I thought - "Phew, at least one of us gets to take a trophy home." To say it was a honour to win is an understatement - bringing our trophies home to our alma mater eighteen (yes eighteen!) years ago

is a memory I treasure to this day.

The mere fact that I was chosen to participate was an honour. Here were adults - our parents, our teachers, the foundation - people who knew it all, and had it all figured out - telling us that we were the best and brightest in our Bahamaland; to quote Mr. Deveaux, "We were all winners." Us? We were just little kids.

It was all the more special because my whole family was able to attend, including my grandfather, who would pass away later that year, but not before he saw his grandson win. You don't realize it as a child, but your success is a direct result of your family, your community and your church supporting you - my mom who agonized over my portfolio, my dad who worked hard to pay for school, my aunts who scoured to find photos to include, my teachers and administrators who wrote references, not to mention countless others - they all played a part in my winning, and they all shared in the joy.

Over the years, I've watched the program evolve from a fledgling ceremony to a massive undertaking. So many schools nominate students, that now only one student from each school is accepted. But one thing has never changed - the joy on every student's face when their name is called, and the pride in their parents' and teachers' faces. Here are kids from different backgrounds, from different islands, with different struggles, and different stories, yet every single one is a winner.

Ricardo's famous motto may seem trite, especially in a world where results are sometimes all that seem to matter, but it's pivotal, especially for kids of their age - about to enter high school, on the bridge between childhood and young adulthood. Every student here is a winner, because of their unrelenting hard work, and most importantly, their bold and daring dreams.

And to this day, I do my best to attend whenever I can, because it reminds me of this. Especially this year, when so many of us are struggling, not knowing when our jobs will return, if our families will be safe, it takes a "child-like" bravery to keep working hard; a "juvenile" courage to keep on

dreaming.

If there's any advice I could give these students, or even us adults who have it all figured out, it's that you must never stop dreaming, and never stop working hard towards your dreams. Through your brightest days, and your darkest nights, let your dreams be a shining light, and your work ethic a guide towards it.

Because, as long as you dare to dream and work hard towards your dreams, you have already won.

Sen. the Honourable Barry N. Griffin, Jr.
1998 - 13th Place Finalist

St. Thomas More Catholic Primary School
New Providence
Currently: Attorney at Law / Entrepreneur /
Vice-President of The Bahamian Senate.
He is the youngest individual appointed
as the Senate Vice-President in The Bahamas.

Being nominated as an outstanding primary school student was a highlight of my academic career. As a young person, it felt great to be honored for my hard work and achievements. It pushed me to keep striving and to keep doing well.

Since that time, I had gone on to do well in high school, graduating at the top of my class and then to matriculate into college and graduate school, again continuing to perform at the highest levels. Presently, I am a corporate attorney and entrepreneur and strive to give back to my community as best I can.

To the young people being nominated this year, I say congratulations! Use this honor as a stepping stone and a propeller to keep you moving forward and moving higher. I say continue to work hard and give your all and never rest on your laurels. The race is a marathon and not a sprint. I wish you the best of luck!

Congratulations!

WHAT A FORMER NOMINEE HAD TO SAY...

Cerio Rolle, CISA
2002 – 6th Place Finalist
 Carlton Francis Primary
 New Providence
 Currently: Senior IT Internal Auditor
 Colina Insurance

In 2002, I was nominated by Carlton E. Francis Primary School to represent them in the Bahamas Primary Student of the Year Foundation program. When I was selected, I was elated to be chosen. My parents and I gathered all the documents and pictures and put together a portfolio that highlighted my primary school career. Based on the portfolio we were able to put together I was excited to enter and be a part of the program.

When the day came, I was prepared and excited to see what was in store. I saw all of the students prepared and ready in their uniforms and fresh haircuts and hairstyles. As the night went on the students' names were called and I was anxious as I was uncertain I would be selected to win an award. When my name was finally called as the 6th runner up, I was ecstatic. As I walked across the stage, I felt proud to represent my school and my family. This experience motivated me to continue to excel.

Since then I have attended the College of the Bahamas and transferred to Taylor University. I completed my Bachelor's Degree in Accounting. I previously worked at KPMG Bahamas where I attained my Certified Information Systems Auditor (CISA) designation. Today I am an IT Audit Specialist. I am currently a Senior Internal Auditor at Colina.

The Student of the Year experience was a good one that helped to push me to achieve and showed me that working towards being your best will be rewarded. My advice to the nominees is to focus on being the best student, athlete, musician, artist or whatever you put your mind to. These go a long way in being the best you that you can be.

Dr. Treasure Kenny-McKinney
2004 – Nominee
 St. Thomas More Catholic Primary School
 New Providence
 Currently: Audiologist, Owner of Bahama Hearing Clinic
 Academy for Women Entrepreneurs (AWE)
 2021 Graduate

Being a part of the Bahamas Primary School Student Of The Year program pushed me to believe in my potential to excel and increased my self-confidence. It was a symbol of encouragement and appreciation by the wider community. Observing other well rounded students motivated me to work harder and achieve more going forward. This program made us all aware of our potential to do great things in the future, within our communities and professionally.

I am a 2010 graduate of St. Augustine's College who continued on to higher education. I received a bachelor's degree in psychology from College of St. Benedict and eventually a doctoral degree in audiology from The University of North Texas.

My advice to the 2022 nominees is to always believe in your own capabilities to achieve more despite failures or setbacks. No one else will do that for you. Passion, hard work and persistence are key contributors to accomplishing great things. Maintain a positive and encouraging support system to help keep you focused.

Tareco Johnson Sr.
2000 – 3rd Runner Up
 Walter Parker Primary
 Grand Bahama
 Currently: Commercial Trading Operator
 Shell Western Supply and Trading

To have been selected to represent Walter Parker Primary School as a nominee of the Bahamas Primary School Student of the Year Awards Program was truly an honor.

I recall how proud my parents were when we found out they were to accompany me at Government House to meet the Governor General. What made this occasion even more remarkable was my placing in the top 5 of nominees. This was truly a highlight as I was not only able to bring recognition to my school but to the entire island of Grand Bahama whom I recall was so proud of my achievement.

This top 5 placement afforded me a partial scholarship which I used toward my high school education at Sunland Baptist Academy. From there I went on to pursue my Bachelor's Degree in Industrial Engineering at Kettering University, followed by a Masters of Business Administration from the University of Toronto some years later.

I am now married with a beautiful baby boy and employed at Shell Western Supply and Trading as a Commercial Trading Operator.

My advice to this year's nominees is to not be afraid to try new things and keep asking questions.

Katrell King
2015 – Semi-Finalist
 Carlton Francis Primary
 New Providence
 Currently: Freshman, The University of Miami
 Double Major: Marine Affairs
 & Ecosystems Science & Policy
 and a Minor in French - GPA 3.80

For me, being a Semi-Finalist in the 2015 Student of the Year awards was a catalyst to my success throughout high school and beyond. I was able to complete my high school education at Queen's College where I kept up the momentum of working hard in school, sports, and overall being a well-rounded student. Since receiving the honor in 2015 I've kept on the Honor Roll/Principal's List throughout high school, I was recognized by the Ministry of Education for receiving 5+ As in the national BJC examinations and 8+ As in the BGCSE exams, and I was one of the 2021 Bahamas National Merit Scholars.

Now I'm in my freshman year of university, where I am a member of several student organizations, and I was on the Provost's Honor Roll for my first semester. My advice to the Class of 2022 nominees is to stay consistent. Receiving this nomination is a sign that you've been working hard throughout your primary school years, so make sure to keep it up when you get into high school and further. Always remember to put God first, apply yourself, and do your best in whatever it is that you do.

Malacious Davis
2016 – Semi-Finalist
 Uriah McPhee Primary School
 New Providence
 Currently: Graduating Senior, Queen's College
 CGPA: 3.92

It was six years ago that I was selected to represent Uriah McPhee Primary School in the 2016 Bahamas Primary School Student of the Year Awards Program. I was where you currently are, I remember the honor and prestige I felt to be nominated and represent my school. I also remember the fear of wanting to do well and make my school and my family proud. I want to tell you; you are truly a testament to your accomplishments and your nomination shows just how hard you worked with in your primary years. It was truly an honour to have been identified as one of the best and brightest students to represent my school. I was selected as a 2016 Semi-Finalist and awarded a \$1,000.00 scholarship.

This is your foundation; it is your base line to greatness. No matter what, know that you made it this far because you are great, and you are destined for greatness.

I am currently a senior at Queen's College, and I am a part of the Comet's graduating class of 2022. Since my time as a nominee, I have achieved 5 A's, 3 B's in my BJC between grades 8 and 9. 6 A's 1 B and 1C in my BGCSE in 11th grade and an SAT score of 1310. I have also achieved the Duke of Edinburgh Bronze award.

As I prepare to graduate from high school, I am looking forward to continue to achieve my academic goals by pursuing my Bachelor's Degree.

To the current nominees, as you prepare for high school, I would like to encourage you to build on the foundation of your primary years and move toward achieving great things. I wish you all the best.

SALUTING OUR FORMER NOMINEE - CLASS OF 2022

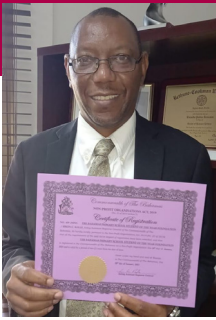

Amelia Baptista
2015 - 8th Place Finalist

Amelia graduated as Head Girl and Valedictorian from Lucaya International School. She has been accepted at McGill University for the Fall 2022 to pursue a Bachelor's Degree in Environmental Science, with a minor in Communications and Chemistry. She represented Bishop Michael Eldon School in the 2015 Awards Program.
